

MOTOR VEHICLE REGISTRATION OFFICE US NAVAL SUPPORT ACTIVITY – NAPLES ITALY

FACT SHEET ITALIAN DEALER NEW VEHICLE TO AFI TRANSFERS

The vehicle must be taken to MVRO for a vehicle identification number (VIN) inspection. You must make proper arrangements with the dealer in advance. In some cases the dealers provide "Targa Prova" (test plate).

- If you already have a vehicle registered as your primary and you would like to change that one to your secondary; then make the new one primary, please ask to schedule two appointments and bring the necessary documents.

Please ensure you have the following documents readily available for your registration:

- **Original Vehicle Purchase Invoice** indicating IVA (tax) exemption
- **Original Certification of Conformity (Certificato di Conformita')** or **substitutive statement** as indicated on the reverse side of this document.
- **Proof of Vehicle Exportation to the AFI Foreign System (EX1 Bolletta Doganale)** - EX1 Bolletta Doganale is an Italian Customs document of exportation. The dealer must contact an Italian Customs broker (see our brokers list for orientation) who through a Customs Office provides the document for a fee (which may vary from broker to broker).
- **Insurance** - Obtain a printout showing Policy Number and the period of coverage.
 - It must be in the Sponsors name and valid for minimum of six months.
 - For new policies MVRO will print the certificate since it has to assign the plate number.
 - If you are USAA insured, you must contact the Company to establish the new policy before reporting to MVRO. Policy arrangements via phone at MVRO are not allowed for operations smoothness. USAA will e-mail the policy to MVRO with your permission. Policy arrangement via the courtesy phone at MVRO is to be a last resort, so as not to impede smoothness of operation.
 - Zurich policy must be obtained from their office before reporting to MVRO.
 - Failure to maintain insurance will be sufficient grounds for immediate termination of registration, driving privilege, gas privilege, fines, and may result in disciplinary actions. Additionally, it is against the law to drive a vehicle without proper insurance and could result in heavy fines.
