NAVSUPPACT NAPLES INSTRUCTION 1740.1E

From: Commanding Officer, U.S. Naval Support Activity, Naples, Italy

Subj: FAMILY CARE PLAN POLICY

Ref: (a) OPNAVINST 1740.4E  
(b) MILPERSMAN 1754-030

Encl: (1) NAVPERS 1740/6  
(2) NAVPERS 1740/7  
(3) Instructions to Update Family Care Plan in NSIPS and ESR

1. Purpose. To assist service members in developing workable Family Care Plans (FCP), and establish procedural requirements for the implementation and management of the FCP per references (a) and (b).

2. Cancellation. NAVSUPPACTNAPLESINST 1740.1D

3. Applicability and Scope. This instruction applies to all single members or dual military couples that have custodial responsibility for family members or other dependents that are assigned to NAVSUPPACT Naples.

4. Background. The nature of naval service dictates that members must be ready to deploy throughout the world on short notice and be able to fully execute their military and professional duties. For members with dependents, the ability to meet this requirement is directly related to the degree of prior family care planning. Thorough planning benefits both the Navy and the member by ensuring proper care for dependents, reduced stress on the member and a deployable asset for the command. Planning to ensure the care of family members and dependents is essential and required for every member. However, it is especially crucial for single members with dependents and members of dual military couples with dependents.

5. Requirements

a. The member has the responsibility of ensuring family members are cared for during deployments, reserve mobilizations, and temporary duty, and all other times. The primary responsibility for initiating and developing a workable FCP rests with the individual member. It is the responsibility of the member to provide the designated caregiver with all information and documentation needed to execute the FCP plan and provide for the member's dependents. Formal documentation of a member's FCP is required under any of the following conditions:

21 APR 2020

- (1) A single parent with custody of children under 18 years of age.
- (2) Both members of a dual military couple with custody of children under 18 years of age.
- (3) Family circumstances or other personal status changes in which the member becomes solely responsible for the care (housing, medical, logistical, financial, food, clothing, or transportation) of another person. Such circumstances are delineated in reference (a).

b. The FCP should designate one or more caregivers who will agree to provide for the affected members of the family or dependents. Enclosure (2) in reference (a) will be used to document the plan. By signing these forms, the caregiver acknowledges and accepts responsibility for the care of the member's family and understands the provisions contained in the plan for short and long-term separations.

6. Action

a. Program Administrator. The designated FCP Coordinator is responsible for:

(1) Ensuring members receive counseling and complete enclosure (2) of reference (a) during check-in process through the Administration Department. Afford members with sufficient time (60 days) for the completion of all required FCP documents.

(2) Conduct an annual review of FCP.

(3) Maintain a copy of NAVPERS 1740/6 and NAVPERS 1740/7 for each service member in a composite file to serve as a ready reference in the event of mobilization, planned or unplanned operations requiring a member's absence.

b. Members. Members who meet criteria as defined in paragraph 5a (1) through (3) will:

(1) Submit a new or updated FCP to the FCP Coordinator upon arrival to the command and within 60 days of the following:

(a) Upon change in caregiver circumstances.

(b) Upon the birth or adoption of a child, or assumption of sole care for an elderly or disabled family member.

(c) Upon change in personal or family circumstances.

(2) Verify the FCP for currency under the following conditions:

21 APR 2020

(a) Annually

(b) Prior to reenlistment or extension of obligated service.

(c) Prior to executing Permanent Change of Station orders, especially to training (advanced, "A" or "C" schools, graduate education, scholarship/commissioning/out-service education programs, etc.).

(3) When being screened for overseas assignment, submit or update their FCP to cover any period of absence by the member (i.e., between the departure of the member for, and the arrival of the family members at, the overseas assignment, or in the event of an unaccompanied tour).

(4) Ensure the FCP is per the requirements outlined in reference (a).

(5) Request, as necessary, information and assistance in developing FCP from the command. A checklist is provided in enclosure (2) of reference (a) to assist in developing and reviewing the adequacy of plans.

(6) Provide the caregiver(s) with all necessary legal documents, including power(s) of attorney.

(7) Provide the caregiver with reasonably available information on existing military and private sector community support resources where a caregiver can receive assistance. This should include locations and points of contact of the member's command.

(8) Discuss with and provide information to the caregiver on the parental goals desired during a long-term separation.

c. Dual Military Couples. Dual military couples who are required under this instruction to have a FCP must develop a single plan which will be signed by both members. Additional requirements are:

(1) Both members shall maintain a copy of their FCP with their respective commands.

(2) In the event that a FCP is not or cannot be established, Navy Personnel Command (PERS-2) will determine which member may be separated based on the needs of the Navy.

(3) In the instance of a Navy member married to a member of another military service, the Navy member shall complete a FCP per this instruction.

21 APR 2020

(4) A copy of the Navy's FCP, signed by both members, will be forwarded to the spouse's unit. The Navy member will also provide his/her command with a copy of the equivalent plan for the spouse's service.

(5) The details described in each FCP should be reviewed for consistency. In this manner, both member's commands and services can remain fully informed concerning the members' FCP.

d. Fleet and Family Support Center (FFSC). The FFSC, upon request of the member or the Commanding Officer, will provide information and assistance, as well as individual counseling to members as required for development of a FCP.

7. Records Management. Records created as a result of this instruction, regardless of media and format, must be managed per SECNAV M-5210.1.

8. Review and Effective Date. Per OPNAVINST 5215.17A, NAVSUPPACT Naples will review this instruction annually on the anniversary of its effective date to ensure applicability, currency, and consistency with Federal, Department of Defense, Secretary of the Navy, and Navy policy and statutory authority using OPNAV 5215/40 Review of Instruction. This instruction will automatically expire 10 years after effective date unless reissued or canceled prior to the 10-year anniversary date, or an extension has been granted.

INSTRUCTIONS TO UPDATE FAMILY CARE PLAN IN NSIPS AND ESR

NSIPS identifies service members who require a Family Care Plan (FCP) on file. If an FCP Election Date is not on file, or if one exists and the date has expired or is left blank, the service member will receive an email notification with instructions on what action should be taken. In addition, a link titled "Expired/Missing Family Care Plan" is also added to the member's "My NSIPS Task/Notifications Box" which is located on the Self Service ESR Home Page. This box will display Tasks requiring action and when the link is selected, the application will re-direct the service member to the Member Screening page (see last page). Email notification will be sent on a quarterly basis to those members identified as not meeting the FCP criteria to their Official Email Address starting 1 July, then October, January, and April (one email per quarter as long as they continue not to meet the requirement).

Email notification will read as follows:

"You are receiving this email because you have been identified as a single parent, a member of a dual-military couple with dependents, or a married Sailor with primary or shared physical custody of a minor child or children whose other natural or adoptive parent is not your current spouse. Per DoDI 1342.19 and OPNAVINST 1740.4E, you must have a family care plan in place. According to our records, you have not indicated in the NSIPS system under 'Employee Self Service Electronic Service Record Tasks - Member Screening' that you have a plan on file, a Plan Election Date (date in block 22C of NAVPERS 1740/6), and a Plan Expiration Date (one year from date in block 22C of NAVPERS 1740/6).

If you have not filed your family care plan with your Command Family Care Plan Coordinator please do so by MM/DD/YYYY. Then you should sign on to NSIPS Self Service and follow the navigation as in the below paragraph and update your NSIPS record.

If you have a family care plan on file with your Command Family Care Plan Coordinator, then you must sign on to NSIPS Self Service and navigate to: Employee Self Service>Electronic Service Record>Tasks -Member Screening and update the information that is asked on this screen immediately.

If you feel you have received this email in error – because you are not a member of a dual-military couple with dependents, not a single parent, or do not have primary or shared physical custody of a minor child whose other natural or adoptive parent is not also your current spouse, then you must go to your local PSD or servicing Personnel Office to update your Page 2 as soon as possible (FCP\_CMPL\_A)."

Self-Service function is currently available in NSIPS.

This function enables users to identify if an FCP document is on file for the member and allows entering the FCP election date and expiration date. The menu navigation for this component is as follows:

Enclosure (3)

**21 APR 2020**

(1) Self-Service users may access the component by navigating to: **Employee Self Service** > Electronic Service Record > Tasks > Member Screening. Use the drop down (magnify glass) to identify the Plan Type "FLY = Family Care Plan" and enter the remaining information as to plan election date and expiration date." (see last page)

(2) Or after signing into NSIPS Self-Service, click on the link titled "Expired/Missing Family Care Plan" under the member's "My NSIPS Task/Notifications Box" which is located on the Self-Service ESR Home Page. This box will display Tasks requiring action and when the link is selected, the application will re-direct the service member to the Member Screening page. (see last page)

Instructions on FCP email, updating NSIPS, and NSIPS ESR as well as copies of reference (a), NAVPERS 1740/6, and NAVPERS 1740/7 are available at [http://www.public.navy.mil/bupers-npc/support/21st\\_Century\\_Sailor/readiness/Pages/FamilyCarePlan.aspx](http://www.public.navy.mil/bupers-npc/support/21st_Century_Sailor/readiness/Pages/FamilyCarePlan.aspx).
