TEMPORARY ACCESS PROCEDURES

1. Purpose. To establish procedures for gaining temporary access to U.S. Naval Support Activity (NSA) Naples, Italy.
2. Scope. Any individual not permitted access to NSA Naples per the unescorted access matrix in enclosure (1).
3. Responsibility. Anyone who is requesting temporary access for guests must read and comply with this instruction. Sponsoring guests onto base is a privilege, not a right.
4. Types of Temporary Access. There are multiple ways an individual may be granted temporary access to NSA Naples. Types of temporary access include:

a. Multiple Day Access Pass. This “**NO ESCORT REQUIRED**” pass is available for the guest(s) of personnel who have full escort privileges per this instruction. The purpose of this pass is for authorized personnel who desire access for visiting friends and family for more than three days, but generally no longer than 90 days. It is the intent of NSA Naples to allow guests from out of the area **who are temporarily visiting family members and friends**, to gain **short-term access** to service members and their families stationed in the Naples area of responsibility. Documentation required for issuance, Passport or European Union [EU] Identity Card. U.S. citizens will perform a background check utilizing SECNAV Form 5512/1 and be vetted to meet the minimum fitness requirements Enclosure (8). Guidelines for issuance:

(1) Multiple Day Access Passes will be issued utilizing the Defense Biometric Identification System (DBIDS). In the event that the DBIDS machine is not functioning or unable to generate passes, multiple day access passes can be issued utilizing the paper format.

(2) The intent of this instruction is to mirror Italian/EU law, which grants a 90-day tourist visa to non-EU residents. This 90-day limit is the maximum number of days non-EU resident tourists may stay within the EU out of any 180-day period. The non-EU resident is required to depart the EU for 90 days for every 90-day period in the EU. Multiple day access passes will be issued in minimum increments of three days, not to exceed a total of 90 days within any 180-day period. In rare instances, a base access letter may be issued for more than 90 days, but not longer than one year, if proof of a valid visa or EU identity card is presented, if the visa supports the purpose for the extended base access request, and if there is a valid/genuine need to grant access for up to one year. Unless otherwise noted, these passes expire at 2359 on the date of expiration. Per COMNAVREGEURAFCENTINST 5530.1 countries on the Designated Third Country Nationals (DTCN) list are not permitted unescorted access. See list of countries on page (2).

(3) Multiple day access passes are intended for visiting friends or family of U.S. personnel, or for North Atlantic Treaty Organization (NATO) personnel permanently assigned to Joint Forces Command (JFC) Naples who reside on Support Site.

Enclosure (3)

(4) Department of Defense retirees may only request multiple day access passes if they are staying at the Navy Lodge or Navy Gateway Inns and Suites (NGIS) and have guests staying with them. Proof of lodging at Navy Lodge or NGIS is required.

(5) Guests are not eligible to purchase tax free goods sold onboard NSA Naples at the Navy Exchange (NEX), NEX specialty stores, and Commissary, unless specifically authorized in a letter signed by Commanding Officer (CO), NSA Naples. Only guests who are on mission-related travel to the Naples area and who have NATO SOFA status may be eligible for tax-free shopping privileges. See paragraph (c) for procedures.

(6) Individuals issued a one-day visitor pass may drive onboard NSA Naples only if they meet all requirements set forth by local law to operate a motor vehicle in Italy. Drivers must be able to provide valid registration and proof of insurance. All vehicles are subject to inspection at all times.

(7) Multiple day access holders are not authorized to stay overnight in Unaccompanied Housing (UH).

(8) Multiple day access passes may only be issued during Force Protection Conditions (FPCON) NORMAL, ALPHA and BRAVO.

(9) Sponsors are responsible and accountable for the actions of their guest(s) at all times. Guest access is a privilege, not a right. The CO may limit, suspend, or revoke a sponsor's escort privileges at any time.

(10) Documentation required for issuance is identification and proof of entry and estimated departure outside of the Campania region (passport entry stamp, tickets, itinerary, toll ticket, etc.)

A maximum of four 1-day visitor passes may be issued at any given time for no more than 30 consecutive working or non-working days. Escort passes will be issued utilizing the Defense Biometric Identification System (DBIDS). Guidelines for issuance:

The Pass and ID technician and/or military personnel will log all information in the NSA Naples Security share drive, prior to issuance and upon the return of the visitor pass.

(2) Upon expiration, termination, or the visitor no longer requires access, the visitor AND sponsor must be present when turning in the visitor pass. 7. Personnel Access Requirements

a. Personnel are required to present appropriate, valid ID to the Sentries in order to gain access to the installation.

b. The ability to access specific NAVSUPPACT Naples locations based on status, and the form of ID required is outlined in enclosure (1). The Department of Defense (DoD) Common Access Card (CAC) and DBIDS are the normal means of base access. Samples of other forms of ID, which grant access to NAVSUPPACT Naples, can be found in enclosure (2). Procedures for obtaining temporary visitor access are contained in enclosure (3). Procedures for LN employees and contractors to gain access are contained in enclosure (4). Procedures for LN inspectors to gain access, when on official business, are contained in enclosure (5).

Note. ID card samples presented in enclosure (2) are the most frequent forms of ID used to gain access to NAVSUPPACT Naples installations. Samples depicted are not all inclusive, but shall be used as a guide. Some variations may or may not grant access and questions should be directed to the SECO. In some instances, supporting documentation (i.e. travel orders, leave papers, or work contract), may be required for access.

c. During Force Protection Conditions (FPCON) CHARLIE and DELTA, the following additional rules apply: Personnel authorized base access onboard NAVSUPPACT Naples Capodichino and Lago Patria installations are limited to active duty military and mission essential civilian personnel, as defined in reference (c). Mission essential personnel must be previously identified by commands and must be identified via roster provided to the Emergency Management Officer. Failure to submit and update these rosters will cause significant delays to access, impacting the mission. Requests for exception for emergency purposes will be addressed on a case-by-case basis.

d. All personnel entering NAVSUPPACT Naples installations who are ten years old or older are required to have a current, proper ID. Individuals who possess multiple DoD ID cards (e.g. a military retiree who is also a U.S. Government civilian employee) are required to use the appropriate form of ID that represents their affiliation with NAVSUPPACT Naples and purpose for which they are entering the installation as per reference (e).

8. Barment. Per reference (b), the CO has the authority to bar personnel from accessing the installation. 9. Lost or Stolen ID Cards. Lost or stolen ID cards represent a serious risk to safety and security. Any personnel whose CAC, DBIDS badge, or other installation pass is lost or stolen must file a statement with NAVSUPPACT Naples Security Department immediately. The Security Department will issue a lost or stolen identification form and to the issuing Pass and ID Office for lost or stolen DBIDS badges as per reference (1). Any credential reported lost or stolen that enabled the holder access to any restricted area will be reported immediately to the commands security manager so the card can be terminated in the system. Additionally, any credential with access to the aircraft apron will be reported to the Air Operations department point of contact immediately so access can be modified to deny the lost/stolen card.

10. North Atlantic Treaty Organization (NATO) Personnel

a. Host nation and foreign personnel stationed at Joint Forces Command (JFC) Naples have limited access to NAVSUPPACT Naples, depending upon FPCON and as delineated in enclosure (2). These personnel must present their JFC-issued North Atlantic Treaty Organization (NATO) ID card for access, samples of which are provided in enclosure (2).

b. NATO Forces who are assigned Temporary Additional Duty (TAD)/Temporary Duty (TDY) to a NATO command within Italy must have appropriately endorsed NATO orders. Personnel who do not have orders but require access should follow the procedures outlined in enclosure (3).

c. Due to vetting process outlined in reference (k), NATO personnel may be granted full, unescorted access to NAVSUPPACT Naples installations with the exception of Admiral Carney Park and Satellite Communication (SATCOM) Lago Patria receiver sites.

11. Distinguished Visitors. Commands requiring Distinguished Visitor access shall coordinate access with the NAVSUPPACT Naples Protocol Office.

12. Escort Privileges

TEMPORARY ACCESS PROCEDURES

1. Purpose. To establish procedures for gaining temporary access to U.S. Naval Support Activity (NSA) Naples, Italy.
2. Scope. Any individual not permitted access to NSA Naples per the unescorted access matrix in enclosure (1).
3. Responsibility. Anyone who is requesting temporary access for guests must read and comply with this instruction. Sponsoring guests onto base is a privilege, not a right.
4. Types of Temporary Access. There are multiple ways an individual may be granted temporary access to NSA Naples. Types of temporary access include:

- a. Multiple Day Access Pass. This “**NO ESCORT REQUIRED**” pass is available for the guest(s) of personnel who have full escort privileges per this instruction. The purpose of this pass is for authorized personnel who desire access for visiting friends and family for more than three days, but generally no longer than 90 days. It is the intent of NSA Naples to allow guests from out of the area **who are temporarily visiting family members and friends**, to gain **short-term access** to service members and their families stationed in the Naples area of responsibility. Documentation required for issuance, Passport or European Union [EU] Identity Card. U.S. citizens will forgo a background check utilizing SECNAV Form 5512/1 and be vetted to meet the minimum fitness requirements Enclosure (8). Guidelines for issuance:

- (1) Multiple Day Access Passes will be issued utilizing the Defense Biometric Identification System (DBIDS). In the event that the DBIDS machine is not functioning or unable to generate passes, multiple day access passes can be issued utilizing the paper format.

- (2) The intent of this instruction is to mirror Italian/EU law, which grants a 90-day tourist visa to non-EU residents. This 90-day limit is the maximum number of days non-EU resident tourists may stay within the EU out of any 180-day period. The non-EU resident is required to depart the EU for 90 days for every 90-day period in the EU. Multiple day access passes will be issued in minimum increments of three days, not to exceed a total of 90 days within any 180-day period. In rare instances, a base access letter may be issued for more than 90 days, but not longer than one year, if proof of a valid visa or EU identity card is presented, if the visa supports the purpose for the extended base access request, and if there is a valid/genuine need to grant access for up to one year. Unless otherwise noted, these passes expire at 2359 on the date of expiration. Per COMNAVREGEURAFCENTINST 5530.1 countries on the Designated Third Country Nationals (DTCN) list are not permitted unescorted access. See list of countries on page (2).

- (3) Multiple day access passes are intended for visiting friends or family of U.S. personnel, or for North Atlantic Treaty Organization (NATO) personnel permanently assigned to Joint Forces Command (JFC) Naples who reside on Support Site.

(4) Department of Defense retirees may only request multiple day access passes if they are staying at the Navy Lodge or Navy Gateway Inns and Suites (NGIS) and have guests staying with them. Proof of lodging at Navy Lodge or NGIS is required.

(5) Guests are not eligible to purchase tax free goods sold onboard NSA Naples at the Navy Exchange (NEX), NEX specialty stores, and Commissary, unless specifically authorized in a letter signed by Commanding Officer (CO), NSA Naples. Only guests who are on mission-related travel to the Naples area and who have NATO SOFA status may be eligible for tax-free shopping privileges. See paragraph (c) for procedures.

(6) Individuals issued a one-day visitor pass may drive onboard NSA Naples only if they meet all requirements set forth by local law to operate a motor vehicle in Italy. Drivers must be able to provide valid registration and proof of insurance. All vehicles are subject to inspection at all times.

(7) Multiple day access holders are not authorized to stay overnight in Unaccompanied Housing (UH).

(8) Multiple day access passes may only be issued during Force Protection Conditions (FPCON) NORMAL, ALPHA and BRAVO.

(9) Sponsors are responsible and accountable for the actions of their guest(s) at all times. Guest access is a privilege, not a right. The CO may limit, suspend, or revoke a sponsor's escort privileges at any time.

(10) Documentation required for issuance is identification and proof of entry and estimated departure outside of the Campania region (passport entry stamp, tickets, itinerary, toll ticket, etc.)

Note. Citizens of Russia, Belarus, Iran, China, Democratic People's Republic of Korea, Cuba, Venezuela, Syria, Afghanistan, Pakistan, Somalia, Ukraine. Per COMNAVREGEURAFCENTINST 5530.1, Citizens of Russia, Belarus, Iran, China, Democratic People's Republic of Korea, Cuba, Venezuela, Syria, Afghanistan, Pakistan, Somalia, Ukraine are not eligible to receive a multiple day pass.

A maximum of four 1-day visitor passes may be issued at any given time for no more than 30 consecutive working or non-working days. Escort passes will be issued utilizing the Defense Biometric Identification System (DBIDS). Guidelines for issuance:

(1) One-Day visitor passes will only be issued to visitor(s) who are present with their sponsor and provide a current, valid passport or EU Identity Card and valid ID from each visitor. When issuing One-Day Passes, the sponsors and visitors must be present at time of issuance.

The Pass and ID technician and/or military personnel will then retain a valid form of ID as collateral from the SPONSOR and VISITOR(S) in exchange for the pass. The Pass and ID technician and/or military personnel will log all information in the NSA Naples Security share drive, prior to issuance and upon the return of the visitor pass.

(2) Upon expiration, termination, or the visitor no longer requires access, the visitor AND sponsor must be present when turning in the visitor pass. One-Day visitor passes are required to be returned at place of issuance. One-Day passes are only authorized for the base in which they were issued. Example: Gricignano Support Site passes are only valid at Gricignano Support Site. Capodichino passes are only valid at Capodichino.

(3) One-day visitor passes are valid for a maximum of 24 hours from time of issuance, (i.e., if visitor was escorted onboard at 0800, the pass will only be valid until 0759 the following day). Guests of Local National employees and contractors will have an expiration limited to the working hours for that day indicated on sponsor's installation pass.

(4) The one-day visitor pass does not grant access to the Navy Exchange (NEX) or Commissary.

(5) Those requesting re-occurring access must provide a security check verifying fitness for entrance to prevent exploitation of the requirement of such security checks for base access.

(6) Individuals issued a one-day visitor pass may drive onboard NSA Naples only if they meet all requirements set forth by local law to operate a motor vehicle in Italy. Drivers must be able to provide valid registration and proof of insurance. All vehicles are subject to inspection at all times.

(7) One-day visitors are not authorized to stay overnight in unaccompanied housing.

(8) Sponsors are responsible and accountable for the actions of their guest(s) at all times.

(10) Restrictions on sponsoring Designated Third Country Nationals (DTCN). Persons wishing to sponsor individuals who are citizens of countries identified below aboard US Navy installations within the EURAFCENT Area Of Responsibility (AOR) must comply with the following procedures:

(a) The visit request must be submitted in writing via SECNAV 5512/1.

(b) The request should be provided to the Installation Security Office at least two weeks in advance of desired access date.

Office of Under Secretary of Defense Directive-Type Memorandum (DTM) 09-012, "Interim Policy Guidance for DoD Physical Access Control," December 8, 2009. DTM 09-012 requires that DoD installation government representatives query the National Crime Information Center (NCIC) and Terrorist Screening Database to vet the claimed identity and to determine the fitness of non-federal government and non-DoD-issued card holders (i.e. visitors) who are requesting unescorted access to a DoD installation. The minimum criteria to determine the fitness of a visitor is: 1) not on a terrorist watch list; 2) not on a DoD installation debarment list; and 3) not on a FBI National Criminal Information Center (NCIC) felony warrants and warrants list. Additionally, SECNAV Memo, Policy for Sex Offender Tracking and Assignment and Access Restrictions within the Department of the Navy, of 7 Oct 08 and OPNAVINST 1752.3 established the Navy's policy on sex offenders, requiring Region Commanders (REGCOMs) and Installation Commanding Officers (COs) to prohibit sex offender access to DoN facilities and Navy owned, leased or PPV housing. This form describes the authority and purpose to collect and share the required information; and identifies the applicant/visitor and sponsor; and authorizes the DoD to perform the minimum vetting and fitness determination criteria. A favorable response on the vetting and fitness determination is required to receive access to DOD-controlled installation/facilities.
