Housing Policy Update

For On-Base Residents with Fully Electric Vehicles

We've heard your concerns regarding the challenges of owning fully electric vehicles under the current housing policy. We appreciate your feedback and are excited to announce that we are updating this policy to better address your needs.

For those that have previously submitted an exception to policy request related to charging vehicles on-base, the Housing team will be in touch soon to discuss the option of relocating to economy housing. We are dedicated to supporting our residents throughout this transition and encourage you to reach out to us directly at naples_housing@us.navy.mil with any questions.

Required Documents to submit Exception to Policy:

1. Proof of PCS with vehicle from VPC
2. Proof of vehicle specifications, including full EV, partial electric vehicles do not fit this criteria.
3. Proof of registration with MVRO or a Signed memo stating intentions to register and maintain ownership of the vehicle throughout the duration of the tour.
