MWR and CYP programs and events.

## ✦ You Ask, We Listen ✦

Question/Issue	Answer/Status	Question/Issue	Answer/Status
Dog park needs new equipment.	Two benches with a sunshade, slalom poles and see-saw for the dogs have been installed recently. A request for new fencing has been submitted and will be ordered when funding is approved.	Not enough light in the park at night.	Solar lights have been installed around the inside perimeter of the park. More solar lights will be installed next year.
Question/Issue	Answer/Status	Question/Issue	Answer/Status
Playgrounds have lots of unusable areas.	All three playgrounds are being upgraded this winter with new equipment and fall protection to ensure a more fun, safer experience for your children. The playgrounds are scheduled to reopen in mid-January.	Large grills are starting to rot and show wear and tear.	Nine new grills have been ordered and will be installed in January.
Question/Issue	Answer/Status		
We want more flea markets.	Based on customer feedback, Community Recreation will be hosting a flea market Saturdays of the 2025 Spring Youth Sports Season. Monitor the MWR Facebook page and MWR Website for details.
