## Public Works Department

### Unauthorized Waste Dumping is Prohibited

Quick reminder that unauthorized waste dumping is a direct violation of installation policy. Public Works Department (PWD) does not accept any unscheduled or bulk waste drop-offs. Any waste dumped illegally must be retrieved by the responsible tenant command and disposed of properly following below process:

#### Bulk Waste Disposal Process Capodichino:

- 1. Identify Waste Type:** Determine if your waste is HAZMAT, electronics, furniture, or general trash.
  - *If HAZMAT:* Contact PWD Environmental staff at 626-6643 to schedule a drop-off appointment at the HAZWASTE Warehouse, Building 402, Capodichino. Please inform your command's HAZWASTE point of contact about the scheduled disposal.
- 2. If Possible, Consider Reuse:**
  - Before discarding items, explore reuse options through the Defense Logistics Agency's Disposition Services process. Visit <http://www.dla.mil/ddsr> for information.
  - Regional DLA staff are available for assistance in Aviano: [DLA Services Aviano](#) and Sigonella: [DLA Services Sigonella](#)
- 3. Bulk Waste Pickup:**
  - For bulk waste removal, your command's Government Purchase Card holder must contact the Base Operating Services (BOS) contractor directly. We recommend requesting a site survey and quote from the contractor for pickup.
  - *Please note:* This transaction is strictly between the tenant and BOS; PWD is not involved.
