From your Safety Office

Reporting is the cornerstone of an engaged Safety program. A reminder that if you get injured in any way/shape/form, both on or off-duty, to inform your supervisor and/or your Safety Office. Safety mishap reports do not release names - so they are anonymous and bear no repercussions on how or what happened to cause the injury. Mishap reports are submitted via the RMI system. If you need assistance in reporting contact your friendly neighborhood Safety Office at 626-5951
