- Outlines authorized boots that are rough-side out coyote and smooth leather brown boots which require Command permission and guidance for wear
- Includes boots no longer authorized for wear
- Does NOT include all authorized organizational boots
- Will be updated periodically to reflect boots added or deleted for authorized wear

ELECTRONIC PERSONNEL ACTION REQUEST

• MyNavy Portal (MNP) is implementing an enhanced electronic Personnel Action Request (ePAR) capability for Sailors. The wizard-like process is configured to support NAVPERS 1306/7 (Rev. 08-25) and expected to go-live on January 29, 2026. The enhanced MNP ePAR will replace the existing capability and add 13 new request types. To ensure Sailors are not disadvantaged during transition from the old to the new process, Command Career Counselors shall process all ePARs currently in their MNP queue by January 27, 2026.

• What you need to know – MyNavy Portal ePAR update requires CCC support
In collaboration with the Navy Counselor community, MyNavy Portal is implementing an enhanced ePAR capability for Sailors. Expected release is January 29, 2026. The enhanced ePAR capability includes additional requirements supporting NAVPERS 1306/7 (Rev. 08-2025). As a result, all ePARs currently in MNP must be processed and submitted to MNCC prior to January 27, 2026. All ePARs remaining in the system after January 27, 2026 will not be processed or sent to MNCC
