NAVADMIN 234/25 - MONTHLY OFFICER PROMOTION MESSAGE AND FALL ENLISTED EXAMINATION CYCLE RESULTS RELEASE DELAY

The release of the December Officer monthly promotion message and the results for the Navy Wide Advancement Exam and Rating Knowledge Exam for Cycles 117 and 268 will be delayed due to the previous lapse in appropriations. The December monthly officer promotion message, which authorizes permanent officer promotions to be executed, is normally released the final week of November. The message is anticipated to be released no later than the week of 1 December. There is currently no timeline for the release of enlisted results, but we are working to accelerate processing where possible and minimize disruptions.
