From your Safety Office

Reporting is the cornerstone of an engaged Safety program. A reminder that if you get injured in any way/shape/form, both on or off-duty, to inform your supervisor and/or your Safety Office. Safety mishap reports do not release names - so they are anonymous and bear no repercussions on how or what happened to cause the injury. Mishap reports are submitted via the RMI system. If you need assistance in reporting contact your friendly neighborhood Safety Office at 626-2414.

Be smart and be safe.

REMINDER:

"The Targeted Re-entry Program (TRP) aims to retain the experience and training of the Navy's highest performing Service members who might be lost to separation. It benefits both the Navy and the Service member by providing a path to continued service for exceptional leaders with valuable skills needed in the Navy. Eligible TRP participants can pursue personal or professional goals outside full-time Navy constraints and are provided an expedited return to active duty (ACDU) if desired. Commanding officers (COs) may recommend awarding a golden ticket or silver ticket to these officer and enlisted Service members. Golden ticket recipients are guaranteed a return to duty within 1 year of separation, while silver ticket recipients may return within 2 years, subject to the Navy's needs. Eligibility for TRP is based on officer and enlisted eligibility criteria. For more information read NAVADMIN 047/18, MILPERSMAN 1001-260, or contact your Career Counselor's!

TA will be limited to a fiscal year cap of 18 semester hours, 27 quarter hours, or 270 clock hours. Unused hours do not carry over to the next fiscal year. Sailors with remaining FY25 Tuition Assistance (TA) funds need to submit applications and obtain command approval before September 23rd. For more information please visit MyNavyEducation."
