From your Safety Office

Reporting is the cornerstone of an engaged Safety program. A reminder that if you get injured in any way/shape/form, both on or off-duty, to inform your supervisor and/or your Safety Office. Safety mishap reports do not release names - so they are anonymous and bear no repercussions on how or what happened to cause the injury. Mishap reports are submitted via the RMI system. If you need assistance in reporting contact your friendly neighborhood Safety Office at 626-2414.

Be smart and be safe.

From your NC Office: REMINDER

Due to the government shutdown, MyNavy Career Center is currently operating at limited capacity. Response times for requests are significantly delayed.

Schedule your appointment with your Command Career Counselor's now, to ensure your requests are submitted on time !!

Pay During Government Shutdown: MyNavy Career Center's top priority is paying Sailors accurately and on time. However, the government shutdown is causing pay delays because there are no funds appropriated for DFAS to pay Sailors. MNCC is working hard to process and submit pay transactions to DFAS for payment as soon as funds become available. Need financial help? Resources are available here. Questions? See your CPPA or call (833) 330-MNCC (6622) anytime, 24/7.
