TIMES OF INCIDENTS

ALARM STATUS

Recommendations:

- Lock windows and doors especially at night and when not in the house
- Arm alarm at night **and** when not home
 - Homes are required to have either indoor motion sensors in the house or a perimeter alarm on the property and sensor on the entry points (doors and windows)
- Immediately report alarm problems to Landlord AND NSA Housing Office
- Ask Landlord to install additional motion sensors, contact sensors, and CCTV
- Purchase renters' insurance

■ Not Working or Off ■ Installed and On ■ Unknown

Common Vulnerabilities

- **Alarms not set when sleeping and/or departing residence**
- Open windows
- Unlocked windows
- Open metal shutters
- Shutters closed but windows left open
- Valuables left unattended and in plain view inside homes/vehicles

General Tips:

- **BE A HARD TARGET AGAINST CRIMES OF OPPORTUNITY!**
- **Set the alarm and have a neighbor, friend, or the landlord check on your home when you are away**
- Keep valuables and large sums of cash in a safe or the bank
- Keep vehicle keys, wallets, purses, backpacks away from doors and windows
- Set the alarm before leaving **and** before bed. Test your alarm monthly
- Ensure doors, windows, and shutters are locked/padlocked
- Remove all valuables from vehicles and never leave valuables in plain sight
- Use only European Standard locks (If not already installed, require landlords to replace skeleton key locks or install secondary devices)
- Report all suspicious activity to NSA Naples Emergency Dispatch. Remember, **"If you see something, say something"**

Know your local address when reporting an emergency!!!

Crime-In-Progress (Can/Can't)

- **Call** Italian Emergency Dispatch and/or NSA Naples Local Emergency Dispatch Center
- **You can** protect your property (**to an extent**)
 - ▶ **Article 52 of the Italian Penal/Criminal Code: "Legitimate defense includes the defense [of] oneself or others, in progress of, or imminent danger to life, health, physical integrity of property, so long as the defense is proportionate to the offense. Person is not punishable of committing the crime, for having been forced by the need to defend one's own or another's right against the present danger of an unjust offense, provided that the defense is proportionate to the offense."**
- **You cannot** inflict bodily harm to an offender if the criminal conduct stops.
 - ▶ **Example: Person steals your wallet and runs. You can chase the offender and attempt to take your wallet back. If they drop your wallet, you cannot engage further. If a threat of violence exists, proportionate self-defense is allowed.**
 - ▶ **NOTE: In any self-defense case in Italy, the local Prosecutor will automatically open a criminal proceeding to verify whether all requirements set by the law on self-defense were met, or exceeded.**
