

How to get an ITALIAN Pet Passport & Health/Export Certificate

1. By law, pet **MUST** be registered in the Italian ASL system. **Failure to register your pet or file a change of ownership form, when purchasing or adopting a pet, can result in a fine of €200,00+.**

If you find or adopt a pet in Italy **WITHOUT** a microchip, you have 20 days to register it

If you import a pet to Italy, you have 90 days to register it

If you purchase or adopt a pet in Italy **WITH** a microchip, you have 5 days to file a change of ownership form.

The TNR Italy Facebook group has the blank registration form, change of ownership form and instructions under "files". There is no cost to register or change ownership.

If you do not know if your pet is registered in the Italian ASL system, you can use these links to enter your pet's microchip number. If it is registered, the site(s) will tell you which ASL location they are registered at. If nothing is available in the search, it means your pet is not registered. The base vet local microchip database is not connected to the Italian ASL system.

2. The ASLs are an Italian government entity. They are not affiliated with the base veterinary clinic, any host nation veterinary clinic or the TNR Italy group. You **MUST** know which ASL office to go to and it is based on where you live. Each has their own payment requirement, area of responsibility, business hours and they are **NOT** interchangeable. The information in this document can change at any time.

3. ASL's in Italy are responsible for people, pets, food safety and many other services. There are **HUNDREDS** of locations within Italy. When you search for an ASL, be certain it is for "ASL veterinario" or you may find yourself at the wrong location. This is the webpage to locate an ASL veterinario (veterinarian) in CAMPANIA <https://anag.gisacampania.it/index.php/ricerca-asl>

4. A pet passport is required to travel on a commercial carrier within and out of Europe. You do not need a pet passport to fly on the AMC/Rotator but it is recommended to have one in case you need to fly commercial or use a pet shipper with short notice.

5. The rabies vaccination has to be 22+ days old to get the initial pet passport or to renew an existing pet passport. Example: rabies vaccination date 01Feb2022. Count 22 days equals 23Feb2022. From 23Feb2022 forward, you can get or renew the pet passport. Travel to EU countries and the UK is valid (the UK has additional requirements). Travel to the USA is valid on the 31st day after the rabies vaccination. For the most up to date information for ANY country, visit their official government website.

6. You have to have a pet passport before you can get an Italian, ASL issued, health/export certificate. You can get both on the same day.

7. **ALWAYS** search the requirements of your **DESTINATION** country you are moving to. Important, reliable links are:

Pets to/from Italy and USA

For other countries Google "shipping pets FROM <insert country> TO <insert country>" Look for official government links.

Payment for services

You must pay before you visit an ASL location. They do not accept any form of in office payments. If you pay the wrong ASL, you WILL NOT receive services or a refund. The payment is valid for 30 days so you can pay long before you visit. Payment detail is listed with each location. There are also photo examples.

The two ways to pay are:

Bank transfer – You need the IBAN number

One option is Community Bank on Capo. If you do NOT have an account, take cash. The price for non-account holders is \$3.00. The price for account holders is \$1.00. Account holders do have the option to set up a direct transfer with their online access, but the process can take a few days to complete. If you cannot go to Community Bank, you can go to a local Italian bank or use an online app, and follow their instructions.

Postal money order – You need the c/c number

There is an Italian Post Office inside the JFC NATO base (hours are Mon – Fri 0830 – 1330 and Sat 0900 – 1200). Many people find this the most convenient but ANY Italian post office can do the money order for €1,50. The form is filled out similar to a bank check. There are examples for a NEW pet passport and a health/export certificate. If you need a different service, the prices are listed below. For those who have the ability to print A4 paper, you can use this Italian website <https://www.bollettinonline.it/> to fill out the information online and print the form before you go. If you cannot print, you can complete the form at the Italian post office.

PRICES as of 31 JAN 2023

The fees are PER PET. Multiply for each pet the cost to determine the number needed.

SERVICE	PRICE	HOW TO WRITE IN ITALIAN
NEW pet passport	€ 24,90	ventiquattro e novanta centesimi
Health/Export certificate and exam	€ 18,00	diciotto e zero centesimi
RENEWAL of current pet passport	€ 6,12	sei e dodici centesimi
2 new pet passports	€ 24,90 * 2 = € 49,80	quarantanove e ottanta centesimi
1 new pet passport + health/export certificate	€ 24,90 + € 18,00 = € 42,90	quarantadue e novanta centesimi

You can use a single postal money order or bank transfer for multiple services on the same day.

Example: you need two pet passports for two pets

If you will have multiple services, but on different days, you need 2 payments.

Example: pet passport on one day and a health/export certificate at a later date
