

Shipping Motorcycles

The Greek Government defines all motorcycles, mopeds, mini bikes, and ATVs as POVs. Such small motorized vehicles can be shipped as POVs or may be included in HHGs shipments. Members must possess a valid driver's license, vehicle title; permission to ship letter from Lienholder (if applicable), current or previous vehicle registration and insurance valid for Greece at the time the motorcycle arrives.

Members that do not have command-sponsored dependents are NOT authorized to import two duty free vehicles and should not ship a motorcycle in addition to a car. Greek Customs authorities will confiscate the second vehicle 40 days after the importation, unless members ship the additional vehicle out of the country (at their own expense).

Riding Motorcycles in Greece

All motorcycle riders (military and civilian) transferring to NSA Souda Bay are required to have a motorcycle endorsement on their stateside driver's license prior to coming to Greece. Military riders are also required to complete their Level I & II Motorcycle Safety Foundation (MSF) Basic Riders Courses prior to arrival. Personnel are required to wear all federally-required protective gear each time they ride. This includes motorcycle helmets, full finger gloves, over the ankle boots, long sleeved shirt or jacket, and long pants. It is highly recommended that personnel who ride motorcycles wear something bright colored or reflective to increase visibility while riding. Contact the NSA Souda Bay Safety Office for specifics.

Renting Motorcycles

Motorcycles are available for rental on the local economy. If you do not have the training or the Personal Protective Equipment to ride one, you will not be able to rent one. In addition, scooters and All-Terrain Vehicles (ATVs) are available for rental, but are currently prohibited while on the island.

Contact the Safety Office for specifics on motorcycles, scooters, and ATVs.

Safety Office, Bldg. 53, Room 11

Monday–Thursday, 7:30 a.m. to 3:30 p.m.

Friday 7:30 a.m. to 2:30 p.m.
