

The NSA Souda Bay Branch Health Clinic's (BHC) primary goal is to ensure Force Health Readiness through high-quality patient and family-centered care. BHC Souda Bay is a branch clinic of Naval Hospital Sigonella.

The clinic provides primary care services for service members, civilians and family members. Outpatient medical services are limited to acute care, physical examinations, women's health, immunizations, aviation, preventative and occupational medicine.

The clinic is staffed by a Family Medicine physician, a flight surgeon, Independent Duty Corpsmen, a pharmacy technician, general duty corpsmen, a front desk clerk and a TRICARE liaison. There are periodic visits for dental and optometry services from Naval Hospital Sigonella. The clinic has limited laboratory capabilities. Imaging services and specialty care is coordinated through local providers.

Uniform of the day or appropriate civilian attire is required.

The Branch Health Clinic is located in Bldg. 19.
