

Loaner Furnishings Program

NSA Souda Bay's Loaner Furnishings Program is available at no cost and open to all military and DoD civilian personnel on PCS orders. To be eligible, members must have a signed housing lease.

The 90-day Temporary Furniture Loan Program is designed to get you started in your new house or apartment while you are waiting for your HHG to arrive. There is also a Full Tour Appliance Package. Unaccompanied military personnel who opt to rent an unfurnished apartment may also use the Full Tour Furniture package.

Individuals are responsible for the care of the loaner property. Any broken, torn, or misused furniture will be the responsibility of the person to whom it was issued.

Although stock levels are sufficient to meet the demand, members are urged to request only those items needed to complete the household. Members will be placed on a waiting list for items not available at the time of their request. The list will be prioritized by the date the lease was signed, but follow-up is the member's responsibility.

The furniture section needs five working days' notice to schedule furniture delivery or pick up. Cancellation of a scheduled delivery, service call, or pick up requires at least one working day notice, or you may be charged for the service. There will be a charge of \$60 for missed appointments, canceled appointments without proper notification, or requests for extra deliveries or pickups.

Many of the items are not new, but scratches or dents are not grounds for refusal of the item. Damages to the items should be noted on the delivery receipt to avoid being charged for prior damages.
